## Trafalgar School Uniform Policy

Reviewed by PPC Committee Spring 2022

Next Review: Spring 2023

### Rationale

This policy was written in consultation with the Federation Governing Body and Class Reps of Trafalgar Infant and Junior Schools. Having a Federation school uniform policy helps us to maintain our Federation identity and promotes a sense of continuity between the two schools. It also provides instant identification while on school trips, promotes health and safety standards and avoids the problem of a 'fashion parade' or comparison. We ask that all parents support this policy by ensuring their children come to school appropriately dressed for learning.

Our school wear is competitively priced and blends easily with shop bought items. Uniform with the school logo can be purchased from local retailers, details of which are published in the Useful Information Section of both school Parents' Handbooks and on their websites.

All items except water bottles, coats and school shoes are available at local shops and online suppliers' details of which are provided in the Parents' Handbook. Iron or sew on logo badges are available from school offices and second-hand uniform items are regularly sold at special second-hand uniform sales organised by the PTA. The dates and times are published in the newsletter.

### Uniform Items

School uniform colours are grey, green and white in the Infant School and black, green and white in the Junior School. A full list can be found below.

Important to note: as of Spring 2022 we are at the very start of a consultation with parents to look at merging the two uniform lists to be a single colour. The following is the list for the current school year and rest assured there will be a phased implementation once the final list is agreed.

### Naming your child's clothing and school items

**It is essential to name all your child's clothing and school items** with a label or written in permanent marker or biro. Please remember to check from time to time to ensure it is still legible.

### Jewellery, Watches & Sunglasses

Our policy is no jewellery, and watches should only be worn by junior children. If your child has pierced ears, small studs are allowed. Watches and ear studs must be removed for P.E and games for safety reasons. A hat with a brim or peaked front to shield the eyes should be worn in hot weather – sunglasses are not permitted.

### Hair styles and accessories

Hair styles should be natural in colour and suitable for a formal working environment. Extreme hairstyles are not acceptable (e.g. shaved head, designs shaved into the hair, hair dyed in unnatural colours). Long hair must be tied back with a simple black or green elastic hair tie (please keep a spare in your child's bag in case they break) - this is for health and safety reasons. We do not encourage children to wear hair accessories such as hair bands. However, if they are worn they should be plain black or green to be in keeping with the Trafalgar uniform colours.
