## **Positive Behaviour Policy (including anti bullying)**

**We BELIEVE – in having high expectations of children’s attitudes towards their learning and their behaviour.**

### **Our aims in encouraging positive behaviour are:**

- For learning to be a positive experience for all pupils
- To encourage pupils to respect others and themselves
- To make clear the boundaries of what is acceptable behaviour
- To create an environment which encourages and reinforces good behaviour through consistent and fair responses to both positive and negative behaviour

Learning how to behave appropriately is part of our broad and balanced curriculum, ensuring the promotion of social, emotional and moral development (SMSC) and social and emotional aspects of learning (SEAL). We include Circle Times as part of the PHSE & Citizenship curriculum (which incorporates SEAL curriculum guidance) in our weekly planning.

Please ask the school office for copies of our information leaflets – ‘Positive Behaviour and Dealing with Bullying’, an information guide for staff and parents, our Online Safety Policy including AUAs (Acceptable Use Agreement) and SSOs (Staying Safe Online) agreements

### **It the responsibility of the child to follow the 6 Golden rules**

- We are gentle (we don’t hurt others)
- We are kind and helpful (we don’t hurt anybody’s feelings)
- We listen (we don’t interrupt)
- We are honest (we don’t conceal the truth)
- We work hard (we don’t waste time)
- We look after property (we don’t damage things)

Children should always

- treat others with respect and consideration
- support and encourage each other
- do their best and let others learn
- take responsibility for their own actions
- take care and pride in their work
- take care and pride in their school and their environment

### **It is the responsibility of parents/carers to:**

- Support the Federation’s Positive Behaviour Policy inc. Anti-Bullying
- Inform the school of any concerns that may affect the behaviour of their child
- Promote the Golden Rules in the wider environment
- Foster good relationships and work together in collaboration with the school

## **It is the responsibility of staff to:**

- Encourage the children to follow the Golden Rules, using praise, care and encouragement to ensure children make positive choices.
- Create a safe and caring environment, physically and emotionally and be a good role model
- Use rules and sanctions and agreed language clearly, consistently and fairly and involving pupils in decisions e.g. 'you always have a choice'.
- Form a good relationship with parents so that all children can see that the key adults in their lives share a common aim.
- Ensure they are aware of the systems that are in place for all staff to take a collective responsibility in the management of behaviour in a consistent way.
- Acknowledge difficulties and seek help from other members of the team and/or outside support in managing challenging behaviour.

## **It is the responsibility of the Governing Body to ensure:**

- A behaviour policy including anti-bullying is in place and monitor its ongoing effectiveness to ensure we are always improving with pupil safety and welfare as the focus.
- That all staff are given training to make use of CPOMS to record all incidents
- PPC committee reviews the behaviour policy including anti-bullying and associated guidance at least once a year
- PPC committee reviews the results and comments from parent and pupil surveys on behaviour and bullying and to revise the policy where required.

## **Our aims when dealing with unacceptable behaviour are to:**

- prevent it happening again
- help children identify what they might do differently next time
- help children understand that they are responsible for their own actions
- find an escape route and a way forward
- be fair and instil trust

## **Anti – Bullying Policy**

At Trafalgar Schools' Federation we have a zero-tolerance policy on bullying of any kind.

If bullying does occur, all pupils should feel comfortable to tell an adult and know that the incident will be dealt with promptly and effectively. We believe it is the responsibility of everyone to report any suspected or incidents of bullying.

We actively promote values of respect and equality and celebrate diversity across the school. This allows our students to become responsible citizens and appreciate modern society when they leave our school.
