Dear Parents and Carers

Re: Trafalgar Infants OFSTED Grade 'GOOD' across all areas.

Inspection of Trafalgar Infant School

Gothic Road, Twickenham, TW2 5EH

Inspection dates: 5 and 6 December 2023

Overall effectiveness	Good
The quality of education	Good
Behaviour and attitudes	Good
Personal development	Good
Leadership and management	Good
Early years provision	Good

We are now able to share our Infants' OFSTED report and I am delighted to report that the school has been judged as 'Good' across all areas, which is in line with our own school self-evaluation. We are very proud of the many things our school has to offer and extremely proud of our children and this is reflected in some of the comments in the final report: -

- **This is a welcoming and friendly school where the school's caring community helps pupils settle quickly when they join.**
- **Pupils are happy and safe.**
- **The school has high expectations for pupils.**
- **Pupils love listening to stories and are excited to learn to read. The school's firm focus on reading helps pupils quickly to become confident readers.**
- **The school's curriculum is ambitious and includes a broad range of subjects. Knowledge and skills are carefully sequenced from early years onwards.**

- **The school encourages pupils to be aware of their feelings and to talk about a range of issues. This includes conversations about the importance of treating others equally and how to be a good friend.**

As you are aware, the current OFSTED framework is very different from our previous one in 2011 and was described by our Chief Inspector as ‘much more demanding’. Despite this rigorous process where no stone was left unturned, we have confidently secured a solid ‘**Good**’ across all areas.

Thank you to all our children and families for their support during this process. The staff are passionate about supporting children’s learning and wellbeing. Together, in partnership with our families and staff, we have successfully managed to be consistently good in all areas and across both schools.

Yours sincerely,

Sarah Keefe
