10 May 2024
Summer 1, Week 26

This week

Safeguarding

It has been brought to our attention that some older primary school aged children have been targeted for phone theft in our local area. These incidents have taken place after school in local public areas by older children.

We will talk to our children about how to stay safe when out of school and encourage them to walk home in groups and to make sure that they are not on their phones when walking home.

Watches

Children in EYFS and KS1 are not permitted to wear watches in school. This is because the children are very active in the playgrounds and watches can be damaged or cause injury. Thank you.
